

WHO IS THE NEXT SHERLOCK??

THEME:

The aim of the event is to create an awareness amongst the students for the topic IT for sustainability. The event will focus on the creative side of the participants and test their on the feet thinking.

EVENT SPECIFICATION:

Event will be done in pairs and will be done in 2 rounds:

First round:

First round will be having 20 questions which is meant to be solved in 10 minutes. (30 seconds per question) and the quiz will be based on INVESTIGATION theme means the questions will be related to some sort of investigation.

Second round:

Second round is all about investigation of a crime scene to find out the murderer. It will deal with atleast 4-5 steps like anybody kills a person the blood droplets of the person will be there and nearby that blood there will be hidden plastic sheets or paper on which there will be finger prints (made with the help of ink pad and stamp pad) .There will be different patterns of thumb prints (atleast 2-3 person's thumb prints will be of same pattern means more likely the same) which will lead to investigate further on those 2-3 persons. Similarly like this there will be 3-4 more steps (we are working on them) which will help in finding out the murderer.

JUDGING CRITERIA:

To be disclosed at the time of event.

TEAM SPECIFICATIONS:

1. Team size should be either 2 or 3.
2. Inter or Intra College teams allowed.
